Ball Centennial

1903-2003

All the best and nothing else

"Innovate in everything you do." Following this guideline, Ball has consistently and proudly supplied professional growers with the most innovative products on the market - backed by exceptional service - for a full 100 years!

When you grandfather Greenhouse...

TruGuard
BY PROVISION
100 percent acid-free archival quality conservation
grade museum matting.
Indispensable for protecting your most treasured photographs and documents from fading, staining, and discoloration. TruGuard is the only matting that comes in a variety of colors to match your artwork, or blends with the background of your artwork.
For more information, please contact us at 800.221.7138.
