The Cal State San Marcos Women's soccer team concluded the second annual Homecoming "Pride on the Prowl" week with the signature sporting event against the UCLA Bruins intramural team on Saturday at 11 a.m. on Mangrum Field.

The Bruins scored six goals in the first half and four in the second to make the final score 10-0.

The Lady Cougars appeared more aggressive and a bit more inspired in the second half of the game. "Much better second half ladies!" coach Carl Farmer

insisted out loud to the team.

Despite their loss, sophomore goalie and Chemistry major Tracey Veres had at least 21 saves against the Bruins throughout the course of the match.

Despite the fact that this game was part of an ASI sponsored homecoming event, fan support was minimal; nevertheless, this was the team's inaugural full season. "The people who came did great. They kept us really motivated by cheering us on," junior team co-captain and Human Development major Casie Burke

explained.

Up next for the Cougars is their last home game of the fall season, which will be held against the Gauchos of UC Santa Barbara this Saturday Oct. 19th at 4 p.m. on Mangrum Field.

"We need lots of fans and tons of school support for the Santa Barbara game," explained Robyn Bacorn, a senior Liberal Studies major.
